

Halo by Planlicht

Halo is a sleek and contemporary pendant featuring direct only or direct/indirect lighting. This design is more visible than a traditional ring design thanks to its unique diffuser which has a height of 7mm to allow for lateral illumination. Halo uses a 3 step MacAdam light source with L80 50,000 hours. Standard finishes include white or silver. RAL colours on request. Halo has varying specification options to suit your project: 3000K, 4000K Non-dimmable, Dali Dimmable Direct, Direct/Indirect Bluetooth dimming is also available. This requires an additional, remotely installed component.

Specifications

Light source	Dedicated LED	Finish	White
Wattage	24W-146W		Silver
Lumen (lm)   Colour Temp (K)	2288lm-14,417lm at 3000K 2366lm-14,910lm at 4000K		Black
