

Bubble Bell Cymbal Wall Light by  
Lumen8

collaborate. innovate. **lumen<sup>8</sup>**

The Bubble Bell is a sleek metal curved shade apart of our Cymbal Shade family for Bubble.

Designed by the talented Lumen8 team, the Cymbal range of shades bring a refined touch to any space. The clean, modern lines of each shade, combined with the crisp form and soft glow of the bubble, strike the perfect balance of style and function. Choose from a considered range of shade shapes, powder coat finishes and customization options to achieve a unique and personalized look.

The Bell is striking as a standalone centrepiece or can be repeated throughout a room to create a cohesive and poetic atmosphere.

Measuring 280mm in diameter, the pendant can be paired with either a 120mmø or 200mmø Bubble glass shade. The metal construction ensures each piece is durable

Specifications

Wattage	4W / 6W	Finish	Eucalypt Pink Sand Bronze White Black Opal Glass Clear Glass Clear Rippled Glass Amber Ripple Glass Smoke Mirror Glass
