

# Dome Aluminium Wall Light | Black & Grey

SKU: LCNO0003WL-1

PRICE: \$339.00

FINISH: 

Aluminium

 Graphite White

Crafted with elegance and function in mind, the Dome Aluminium Wall Light | Black & Grey draws inspiration from Norwegian minimalism and is made to meet the highest European standards. Its IP65 rating ensures durability against harsh weather conditions while the advanced painting treatment system, made from aluminium cast, promises time-tested quality. Designed with an optical structure, the polycarbonate lens delivers uniform and soft lighting, making this an ideal choice for homes and projects alike.
