

Roll+ 15W Surface Mount by Lumen8

Solis.

Roll+ is a sleek and contemporary surface mount fitting ideal for residential and small retail and restaurant environments. The 15W LED fitting is available in 3000K and 4000K and has a narrow to wide beam angle. Standard finishes include satin white and black. Dimmable using a Trailing Edge system. Dali and Bluetooth dimming are also available. This requires an additional, remotely installed component.
